*Nashville-Style Hot Chicken concept brings crispy sandwiches, tenders, and wings with customizable spice levels to Westlake*

**Westlake, OH (March 11, 2026)** – Hangry Joe's, the fast-casual hot chicken concept known for customizable heat levels and a menu built around Nashville-style chicken, is bringing its fast-growing brand to the Cleveland market with a new restaurant at 242 Main St., Westlake, OH 44145 at Crocker Park. The restaurant is expected to open in April 2026, introducing the nationally expanding concept to Northeast Ohio.

The opening marks one of the first locations of the rapidly expanding Hangry Joe's brand in Northeast Ohio, bringing the nationally trending Nashville hot chicken concept to Crocker Park's dining lineup.

### **A New Option for Hot Chicken Fans at Crocker Park**

Hangry Joe's will join Crocker Park's vibrant mix of restaurants, shops, residences, and offices, all designed within a walkable district where guests can shop, dine, live, work, and gather. Ground-floor storefronts activate the streets while residences and offices above create a lively urban environment.

“Crocker Park is where people come to shop, dine, and spend time together, and we’re excited to add a Nashville hot chicken option right in the middle of it,” said Omar Al-Qadan, local owner of Hangry Joe’s Westlake. “We want this to be the kind of place where families can gather, people can grab a quick lunch, or friends can come together to test their spice limits.”

### **Menu Highlights and Customizable Spice Levels**

The Crocker Park location will serve Hangry Joe’s core menu categories, including chicken sandwiches, chicken fingers, wings, chicken and waffles, wraps, and loaded sides.

One standout menu item is the Nashville-style Hot Chicken Sando, featuring a crispy chicken breast on a brioche bun topped with pickles and cider slaw. Guests looking for a heartier option can also try the Mega Chicken Sando, an eight-ounce seasoned chicken breast served with cider slaw, pickles, and Hangry sauce on a brioche bun.

A defining feature of the Hangry Joe’s experience is the ability to choose from multiple spice levels ranging from No Seasoning and Mild to Medium, Hot, and the brand’s signature Angry Hot, which requires guests to sign a waiver.

Hangry Joe’s also notes that Crocker Park will be Halal-certified.
